Kopi Tubruk

5.00

Indonesia's no-nonsense coffee — strong, bold, and unfiltered. Fine grounds are brewed straight in the cup, creating a deep, earthy brew with a rustic charm. Let it rest a moment before sipping, so the grounds settle — patience is part of the ritual, and the reward is pure, honest coffee.

Kopi Santan Blora

6.50

A traditional brew from Central Java where coffee and coconut milk are boiled together. The result is rich, aromatic, and slightly smoky — the coconut milk deepens the roast and adds a silky finish. A rustic blend of bold and smooth, born from the kitchens of Blora.
